

TEACHING PLAN – FACULTY OF SCIENCE AND CARE

School year 2023 - 2024

1 ST -ACADEMIC YEAR		2 nd ACADEMIC YEAR		3 rd ACADEMIC YEAR	
GENERAL NURSING, DENTISTRY, ANESTHESIA, RECOVERY, MIDWIFE	Marxist-Leninist Philosophy General law Chemistry – Biochemistry Biology – Genetics Biophysics Political Economy - Marxism – Leninism Specialized English I Physical education Japanese I Japanese II Marxist-Leninist Philosophy	GENERAL NURSING	English for Nursing majors Japanese III Japanese IV	MEDICAL IMAGING TECHNIQUES	Specialized English II
		MEDICAL TESTING TECHNIQUES	Party History Ho Chi Minh Thought Specialized English II	REHABILITATION TECHNIQUES	History of the Communist Party of Vietnam Ho Chi Minh Thought
		PHARMACY	Ho Chi Minh Thought History of the Communist Party of Vietnam	PHARMACY	History of the Communist Party of Vietnam Specialized English III Ho Chi Minh Thought

MEDICAL TEST TECHNIQUES	Political economy - Marxism - Leninism General law Science Socialism	PUBLIC HEALTH	History of the Communist Party of Vietnam Specialized English II		
	Biology – Genetics Biophysics Specialized English I Physical education Informatics – Medical statistics		MEDICINE History of the Communist Party of Vietnam Ho Chi Minh Thought		
MEDICAL IMAGING TECHNIQUES	Biology – Genetics Biophysics Specialized English I Physical education Informatics – Medical statistics				
	Marxist-Leninist philosophy General law Political economy - Marxism - Leninism Science socialism Specialized English I Specialized English II Physical education				

REHABILITATION TECHNIQUES	Biology – Genetics Biophysics Informatics – Medical statistics Marxist-Leninist Philosophy	
PHARMACY	General law Political economy - Marxism - Leninism Science Socialism Specialized English I Specialized English II Physical Education Biology – Genetics Physics Informatics - Medical and Pharmaceutical Statistics General Chemistry – Inorganic Physical education	
PUBLIC HEALTH	Marxist-Leninist philosophy General law Political economy - Marxism - Leninism Science socialism Specialized English I Biology – Genetics Informatics and Medical Statistics	

MEDICINE	Marxist-Leninist Philosophy Political Economy - Marxism - Leninism Science Socialism Specialized English I	
	Specialized English II	
	Informatics – Medical Statistics Biophysics Genetic biology – Molecular biomedicine Physical education
